

Trevor P.

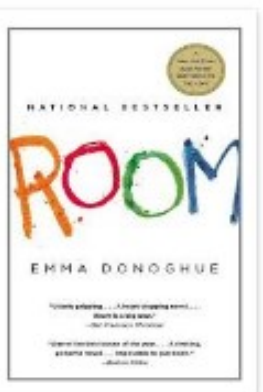

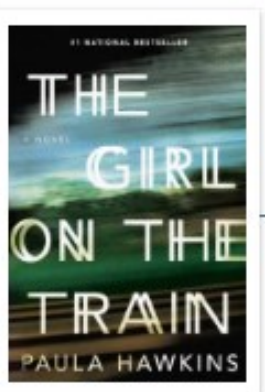

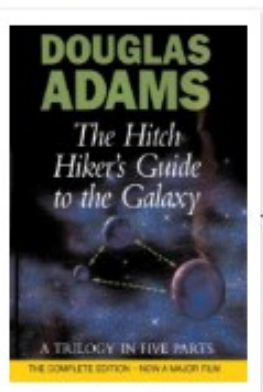

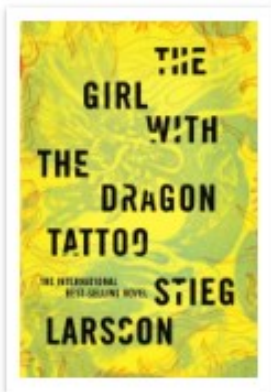

In my spare time you'll find me reading, writing, playing music or spending time with my family. I also volunteer at Queen Victoria School and with the TVO Regional Councillors Advisory Board, and the Association of Medium-Sized Public Libraries of Ontario. I enjoy reading and writing about history, politics, music and current events. I also enjoy science fiction, children's literature and Canadian authors like Margaret Atwood and Joseph Boyden. I feel passionately about the importance of public libraries.
